

Why was it hard to see all the data when everyone wrote a sentence on the board?

lily because everybody kept writing over each others. Its better to do a graph

eve because everybody was writing over each others words. to do it as a graph

olivia because we ran out of space a better way to do it is to do a tally

tania because evrything got scwished. A better way of doind this is by doing it by one at a time.

dylan r Because it was to confucing. Do a tally then make a chart.

elliott beacuse it was to crouded up and it had to much words. put a chart.

bla becuse it all crowded up and all messy. we put a chart.

liam because it was all messy and all squashed up the best way to do it was to make a chart so we could understand it.

pasquale Because it was mesy and it went on, other writeing and we ran out of space. we did a talli chart and it was clearer and not as mesy.

emily Because it was so sqashed and packed with words. You could make a graph of what you was learning about.

louise Because it was really messy and the best way to do it is to make a chart.

hadleigh Because the words were all bunched up and it was better to mae a chart so we could read it.

georgia Because it was all muddled up and messy and it was hard to see everybodys words. i think the tally chart was a good way to do it because you could see it clearly.

piper because it got wigley and messy and you couldn't see it. the better way to do it is by doing a chart.

keava beacuse all the couleres was the same and it was hard to see and the writing was over lapin other writing. it is better to see if you do it in a chart . or talli on a piece of paper or in collams.

stella because it was to crouded and it was a bit meesy.

jordan becuse you coude not see it poroply and it was hard to see you coude do a chart you coude see it better.

sonny because it was all mudduld up and poaple wrote overlaped evroryones lines. put all of the topics on a diffrent peice of paper and write everyones names on that one they done.

harry because it was all mudled up and people wrote over peoples lines . a you could do a grath hat was beter.

joseph because evrything got sqoshed up. a graf was better.

owen Because everbode had to meney people have a sentes some or to long and people or wrighting over other peoples work. So we did a graf it made a graf.

dylan t Becase it was all on one board and there was no room left so we had to sqeese all them on top or each other. we could record the data by a pie graph. d

nadine Because we rote it down we did not have eny room.

emma Because all the things that the children did in the holidays were all stuck together. Children could come up and write on the white board because the one near the computer is hard to write with.

laura Because when we rote words down they all were squshed together.

robyn Because it was so messy when we rote it down but then we made a chart it was so much better so then we did a graph.
