We are the **PRIDE** of Porchester

As a school we are committed to our values and mission for our school: to be the PRIDE of Porchester- now and always.

Values for life, knowledge is power. These are the keys to our success! – Jasper

As a school, we drive our values in all we do to ensure the highest standards for our children. Through these values and our unique selling point of Pupil Leadership, we put our children at the heart of developing our school and ensuring they receive the best educational experience during their time at Porchester.

School Aims:

We aim to achieve the best possible educational standards and ensure each child reaches their full potential, according to their ability. All the staff work hard to encourage the children to give of their best. We have high expectations for each child educationally, but also we expect good standards of behaviour and attendance. The school has a well disciplined, purposeful and caring atmosphere.

Most of all we want children to be happy and enjoy their school life here - a child who wants to come to school is more likely to give of their best. We therefore set out to ensure the school and our teaching is as stimulating and rewarding as possible for your child.
