Creative Enquiry Home Learning

This term, we exploring important issues facing the modern world through our enquiry to answer the question 'How can we make the world fairer place?'

Here is a selection of creative home learning activities that you might enjoy at home. How many can you complete throughout the term...?

Design a poster to promote the importance of Fairtrade.

Research a famous person who has migrated to the UK and write a paragraph about them. Try to include the reason why they made their journey.

Cook a meal from another country that we have learnt about this term.

Using a range of fabrics and other materials, create a collage or piece of artwork that represents your family's heritage.

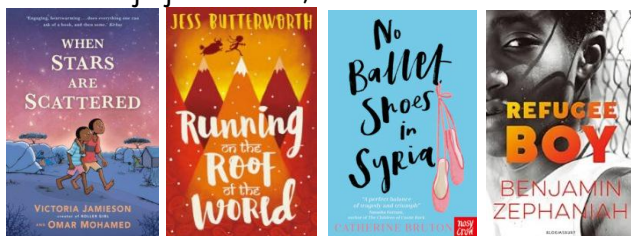

Paint or draw your own piece inspired by Banksy.

Research a charity that supports refugees and create a fact file about them.

Read and review a book based on a refugee. E.g. No Ballet Shoes in Syria, Refugee Boy, Running on the Roof of the World, When Stars are Scattered.

Create a project about a country of your choice and compare it to Britain. E.g. How are lifestyles similar or different? How does the landscape compare to Britain? How are schools different?

Write a diary entry from the point of view of a refugee arriving in the UK.
